

Bro Aberffraw responses- Online Place Shaping Questionnaire

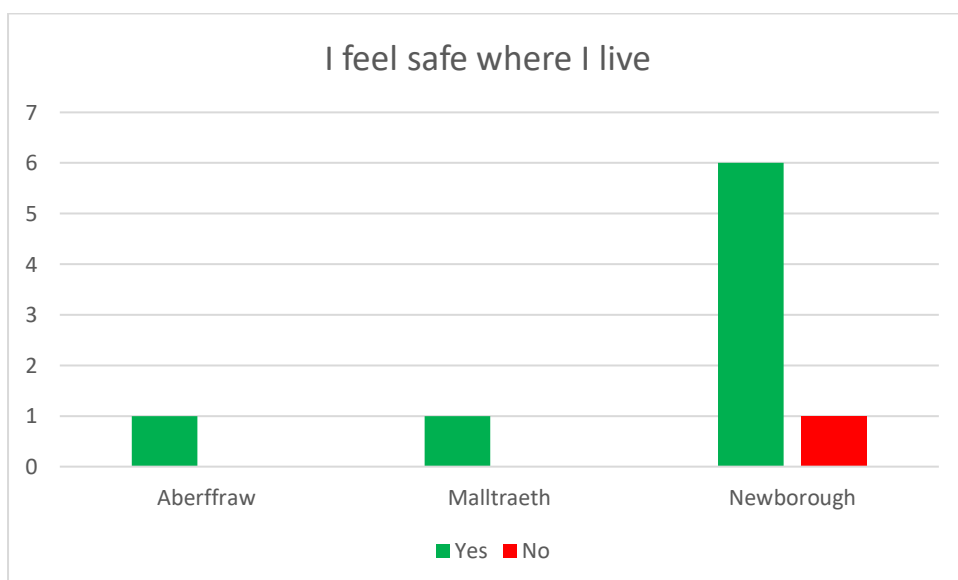

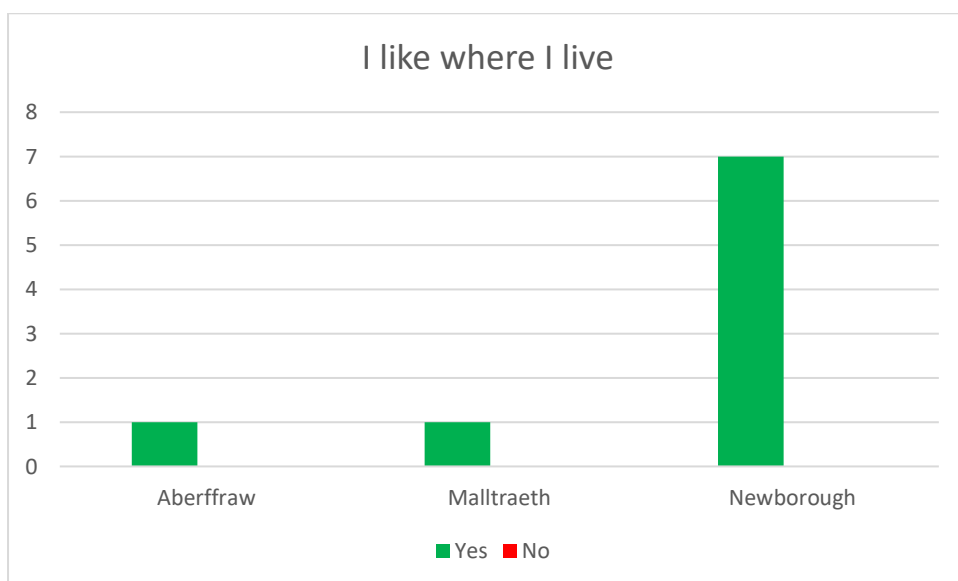

These responses are from the data questions within the **online** Place Shaping Questionnaire where tick box selections were offered. The qualitative responses have been fed into the spreadsheets for the individual areas in the ward.

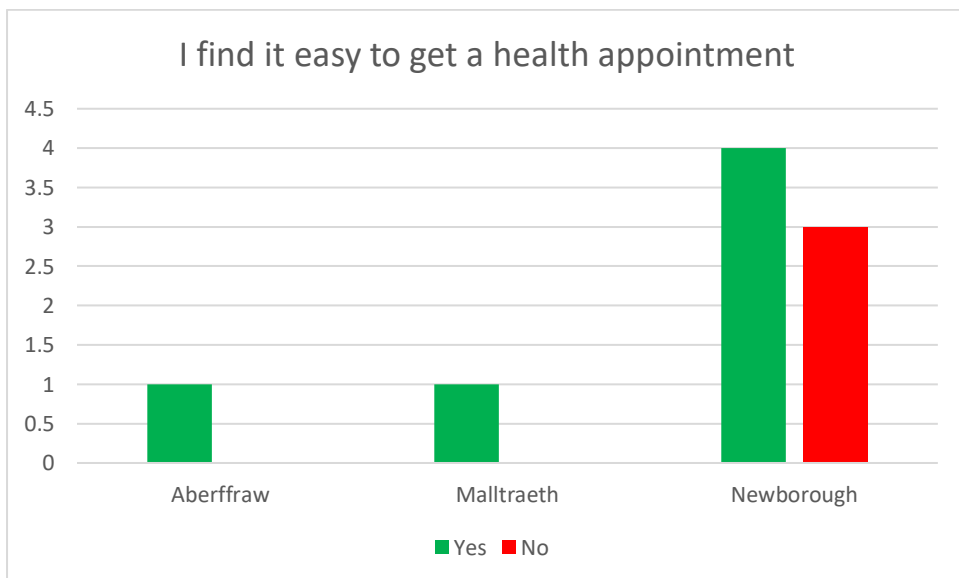

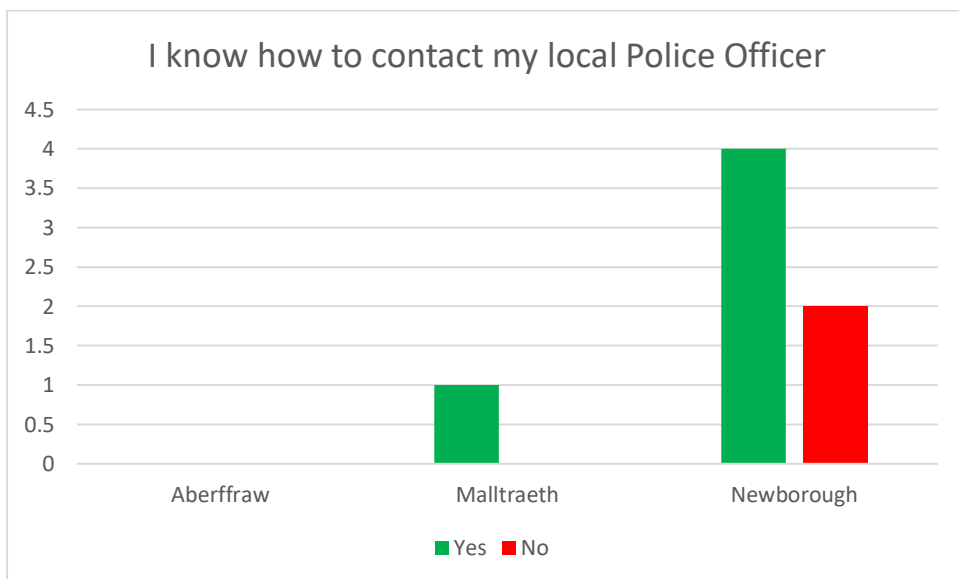

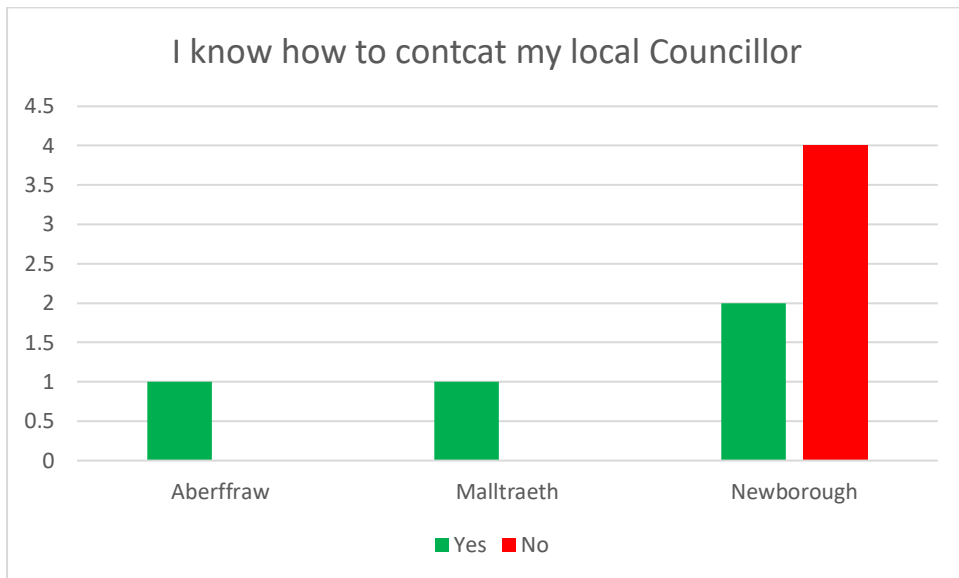

A total of 541 online responses have been received for the Place Shaping Questionnaire across Anglesey. A total of 8 online responses were received for the Bro Aberffraw Area.

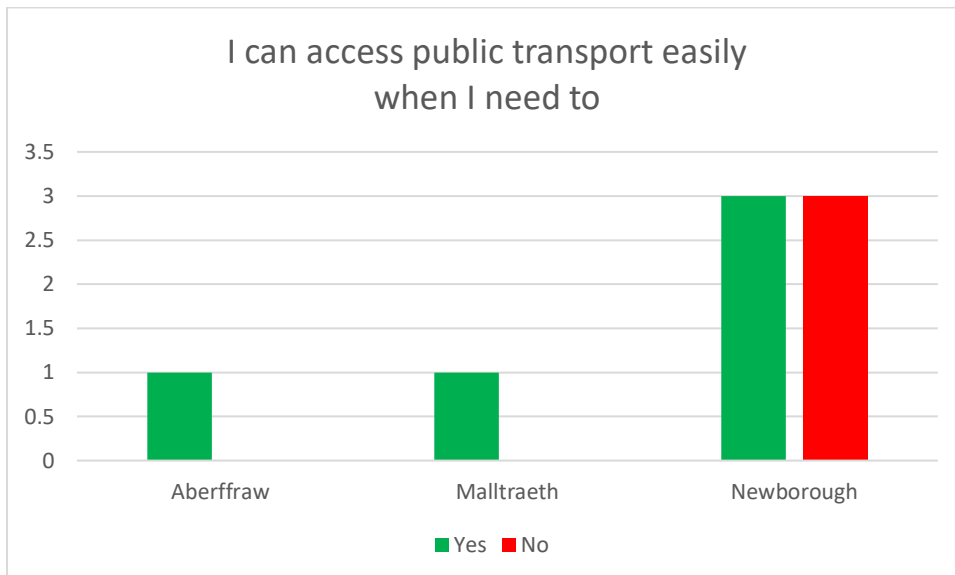

The area responses can be broken down into these areas as follows:

- 1 response from Aberffraw
- 1 response from Malltraeth
- 6 responses from Newborough
- 0 response from Bethel
- 0 responses from Bodorgan

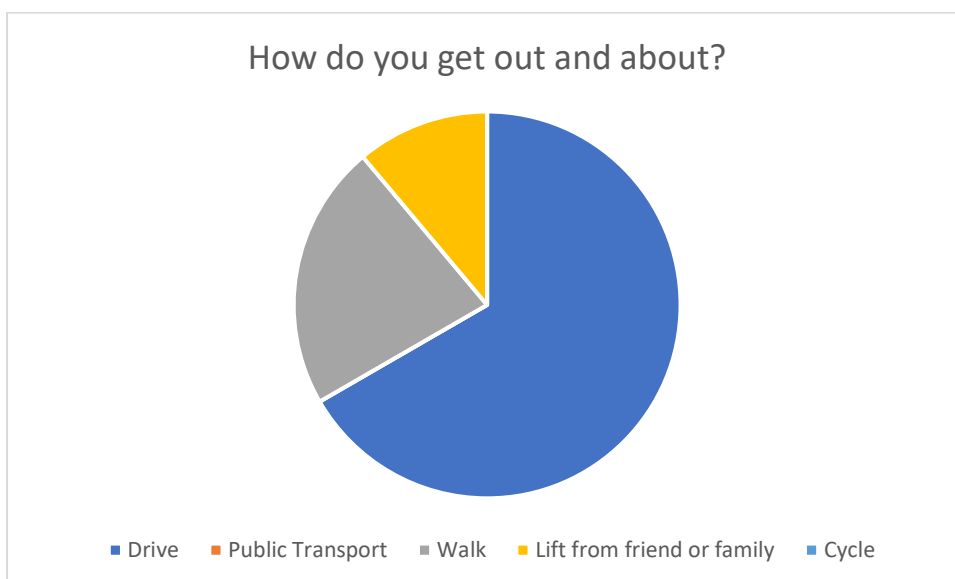

** Where there have been no responses online- these areas have been covered by physical mapping and the Walkability toolkit sessions- see separate reports
